

Utilize the Summer Holiday to catch up and accelerate in 2019 Term 1!

The Summer School Holiday is the last holiday period to intensively study before the Selective High School Placement Test.

Both Summer Holiday Intensive Course and Selective Trial Test Course is highly recommended for the students who will sit for the Selective High School Placement Test on 14th March 2019.

The Year 6 (Year 6 in 2019) Summer Holiday Course will cover most of the Year 6 syllabus to best prepare for the March test date. Summer Holiday Intensive Course will cover approximately 20 weeks worth of the regular Term Course! Selective Trial Test Course is also equivalent to 10 weeks worth of the regular Term Trial Test Course!

Our Summer Holiday course is also recommended for all primary students who wish to begin the upcoming school year ahead of their peers. In particular, upcoming Year 4 and 6 students are encouraged to attend for intensive study in preparation for OC, Selective High School Placement Test and Private School Scholarship Tests in 2019.

Enrol in Summer Holiday Course to begin the new school year armed with the ability and confidence to succeed academically with Pre-Uni New College.
