## Creative Writing Course

Year 5 Creative Writing Course will support students' development of technical and creative writing skills. It will cover areas including grammar, spelling and punctuation that pertain to specific text types as is required in the children's current English Curriculum.

This course will assist children to develop their narrative, descriptive, persuasive and explanatory writing skills so they can become proficient writers across all key learning areas.

Throughout this course, students will learn how to develop and improve their skills in:

- \* Their general knowledge      \* Syntax                      \* Grammar                      \* Text structure
- \* Use effective vocabulary      \* Spelling                      \* Punctuation                      \* Sentence structure

The aim of this course is to target students' individual needs in writing so they can become more confident, capable and proficient writers.

It will assist students with their individual performance in all written tasks in the classroom as well as formalised tests such as NAPLAN, the Selective High School Placement Test and UNSW competitions.
