## Year K EM Course

EM stands for English and Mathematics.

The EM course is designed to develop a basic knowledge of literacy and numeracy skill according to our own syllabus schedule.

In addition to having the advantage of getting ahead, EM course will help your child build a solid foundation for Year 1 study at school and for their future school assessment tasks.

- During the **English** lesson, teacher will focus on practising spelling, vocabulary and comprehension skills.
- **Mathematics** lesson will be involved with various maths topics to make them understand basic maths theories and principles.
