---

Utilising the school holiday period is important, especially for Year 5 students, where it is crucial to start the upcoming term with the ability and self-confidence to achieve their academic goal – the selective high school placement.

Year 5 Winter Holiday WEMG course will continue with the Year 6 syllabus for their selective high school placement test next year. Please find detailed lesson schedule over the page.

Consolidation of Year 6 concepts learnt during holiday course will provide a fundamental preparation for Term 3 studies, and also the enhancement of their performance in the Selective Trial Test Course (STTC) at Pre-Uni New College.

# Year 5 Winter Holiday Special G.A. Course

“Do you need to improve your general ability skill?”

Winter Holiday Special G.A. Course is an Intensive 5-day holiday course to reinforce students' general ability skill in preparation for their 2020 Selective High School Placement Test.

The course will focus on the specific types of general ability questions and students will be introduced to each of the concepts, be encouraged to practice solving the questions under the guidance of a teacher and will receive helpful tips and strategies. Students will then apply the knowledge they have gained by answering questions in the revision tests.

The Special G.A Course will provide a very effective springboard for future success in the Selective High School Placement Test.
