### Use your holiday time to get ahead!

#### “Will you be spending the winter holidays productively?”

The school holiday period provides a great opportunity for students to strengthen and consolidate their understanding of course material. We are offering an intensive program for students who wish to prepare for their half yearly school exams. Teacher-directed discussion and comprehensive revision materials will accelerate students’ understanding of school material in a focused learning environment.

### Year 7 Winter Holiday Course (8– 19 July, 2019)

The fundamental logic behind offering the holiday course is to intensely review exercises of past materials and also preview materials ahead of school. Please find our upcoming winter holiday course schedule below and don’t miss out the special offer.

**Year 7 Mathematics**      8 – 12 July (5 Days)      9:15am – 12:30pm      Fee: \$275 (E/B: \$250)
