

2019 Term 3 Year 10 Speed+ Course

Experience the Endless Potential...

Students experience key areas of the Year 11 syllabus

Prepare students for immediate successes in Year 11

Encourage all students to enjoy learning and be self-motivated, reflective students

Extend talents and capabilities geared towards the HSC

Develop confidence to make a successful transition to the senior years of high school

Speed+ English & Writing Curriculum

The course will include challenging extension work which focuses on developing advanced analytic, composing and research skills which form the basis of the Stage 6 English curriculum to and including the HSC.

Students will develop skills and understandings of some of the key syllabus areas from the Stage 6 program:

- Extended understanding of the requirements of Module B, Paper 2 (Advanced)
- Advanced thematic approaches to Shakespearean drama
- Key concepts and contexts relevant to Shakespearean tragedy
- Close study of the language and structure of Shakespearean tragedy
- Preparation for Stage 6 analytic essay writing

Speed+ Mathematics Curriculum

Students will develop skills and understandings of some of the key syllabus areas from the year 11 Mathematics extension program. Key topics to be addressed:

- Polynomial I
- Permutations and Combinations
- Application of calculus to the physical world (HSC)
