

Thinking Skills for Selective (Thursday)

The "Thinking Skills for Selective" Course is specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective school placement test. With a comprehensive focus on preparing them for the thinking skills component, the course will cover a diverse array of essential topics.

Course Overview:

- The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- The course is open to Year 5 students who are aiming for the selective school placement and will cover essential topics to equip them with the necessary knowledge for the thinking skills test.
- Choose the learning style that suits you best: We offer two flexible thinking skills course options:**

Thinking Skills (Face-to-face)	Thinking Skills (Zoom Course)
Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.	Join interactive zoom lessons from the comfort of your home and access all Cyberschool resources.

- Zoom Course Materials:** Students enrolled in the Thinking Skills Zoom course must download their **e-book materials** on Cyberschool before each week's lesson.
