Set your Year 5 student on the path to success with our Term 4 courses!

At Pre-Uni New College, we're dedicated to equipping every child with the knowledge, skills, and confidence needed to excel in the selective school and independent school scholarship exams.

Our Term 4 courses are designed to give students the strongest possible preparation. With a focused and structured approach, they refine the essential skills assessed across all exam formats. Through engaging lessons and step-by-step practice, students build not only academic strength but also the exam strategies and resilience needed to perform under pressure.

We know that consistent, high-quality preparation makes a meaningful difference. Throughout the term, your child will develop a solid foundation that grows week by week. Enrol today and take the first step toward helping your child reach their full potential.

Thinking Skills for Selective (Thursday)

The Thinking Skills for Selective course is designed to strengthen students' problem-solving and critical-thinking abilities — key skills needed for academic success and for the selective school placement test. With a strong focus on the thinking skills component of the exam, the course explores a wide range of essential topics that build confidence and capability.

Course Overview:

- ☑ **Confidence & Creativity:** Students learn practical tools and techniques that help them approach challenging questions with clarity, confidence, and flexible thinking.
- ☑ **Engaging Learning:** Through interactive activities and thought-provoking exercises, our experienced teacher guides students in developing strong critical-thinking habits.
- ☑ **Effective Problem-Solving:** Students practise strategies for tackling complex problems across multiple subjects, improving both accuracy and efficiency.
- ☑ **Analytical Thinking:** Students are encouraged to analyse information, evaluate ideas, and draw logical, well-reasoned conclusions.
- ☑ **Academic Growth:** As their thinking skills strengthen, students gain greater confidence in their ability to excel across all areas of study.
- ☑ **Selective Exam Focus:** Open to Year 5 students preparing for the selective school placement test, the course covers the essential knowledge and skills required for the thinking skills component.
- ☑ **Choose the learning style that suits you best: We offer two flexible thinking skills course options:**

Thinking Skills (Face-to-face)	Thinking Skills (Zoom Course)
Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.	Join interactive zoom lessons from home and access all Cyberschool resources.

- ☑ **Zoom Course Materials:** Students enrolled in the Thinking Skills Zoom course must download their **e-book materials** from Cyberschool before each week's lesson. Material will be available for download from Saturday via the "Material" menu on Cyberschool. Please note that **hard-copy materials are not provided** for the thinking skills zoom course.
