

2026 Year 8 Term 4 Mathematics Course (10 October – 20 December)

Pre-Uni New College High School is announcing the commencement of the **Year 8 Maths Course** in Term 4.

As we progress through the school year, it's important to consider secondary learning. This program is designed to equip students with essential skills so they can perform to their full potential and confidence needed to thrive in Year 8 next year.

We provide detailed material and comprehensive feedback to enhance preparation and skills in all areas of education and ensure students excel in their school exams. Students can develop ineffective study habits during high school without continued guidance and coaching. Our years of successful results indicate that Pre-Uni New College has the best academic formula for helping your child overcome these challenges.
