2027 Year 4 Summer Reading Strategies Course

Build Strong Reading Skills for OC Exam Success!

Help your child develop the reading comprehension and analytical skills needed to excel in the OC Placement Test. This intensive 5-day course introduces proven reading strategies and provides targeted practice across the key question types found in the reading test of the OC exam. Students will learn how to identify key information, interpret language, make logical inferences, and analyse a variety of text types.

Throughout the course, they will work through fiction comprehension, poetry analysis, gap-match exercises, and thematically linked extracts, while also strengthening vocabulary and language skills through daily cloze activities.
