2027 Year 4 Summer Thinking Skills for OC

Build the Thinking Skills Needed for OC Exam Success!

Give your child a competitive edge with our Summer Thinking Skills for OC Course, designed to develop the critical thinking and problem-solving abilities assessed in the Opportunity Class (OC) Placement Test.

Throughout the 5-day program, students will learn how to evaluate evidence, identify mistakes in reasoning, analyse arguments, and apply logical thinking to complex situations. They will also develop effective problem-solving techniques through activities focusing on identifying similarities, finding procedures, selecting relevant information, and tackling challenging thinking skills questions.
