Term 1 course for 2027 will commence on Saturday, 23 January!

This term marks a significant milestone for Year 4 students as they embark on the final phase of their preparation for the 2027 OC Placement Tests, which are scheduled to be held on 11 and 12 May.

As the exam date approaches, students will focus on refining their knowledge, exam techniques, and confidence. Students who have not yet enrolled in the OC Trial Test Course (OCTTC) are strongly encouraged to do so, as it provides realistic exam practice and valuable test-taking strategies. Additionally, the WEMT timetable has been updated to better align with the content and learning outcomes of the new modules.

Please **review the updated WEMT class timetable below**.
