Term 1 course for 2027 will commence on Saturday, 23 January!

Year 5 Term 1 (2027) courses provide focused preparation across all key test areas, helping students strengthen their academic foundations while developing the exam techniques required for peak performance. Through structured lessons, guided practice, and challenging learning activities, students will improve their skills and confidence throughout the term.

Students will also have access to our latest exam preparation programs, the **NAPLAN Trial Test Course (NTTC) and Selective Trial Test Course (STTC)** which are designed to help students develop effective exam strategies, improve time management skills, minimise common mistakes, and build the confidence needed to achieve their best possible results.

To support the introduction of our updated curriculum and new learning modules, the WEMT timetable has been revised to better align with learning outcomes. **Please review the updated WEMT class timetable below** and select the session that best suits their child's learning goals.

Year 5 NAPLAN Trial Test Course (NTTC)

Give Your Child the Ultimate Head Start for the 2027 NAPLAN Test!

A new NAPLAN Trial Test Course (NTTC) for Year 5 students will be available as a 6-week program featuring **three NAPLAN trial tests** designed to assess students' knowledge and test performance. All trial tests will be conducted in a **computer-based test (CBT) format**, with students using our testing device provided in the classroom.

Through this course, students will gain valuable experience completing NAPLAN-style questions under exam conditions. They will develop effective time management skills, learn strategies to minimise errors, build confidence, and better manage exam pressure. The course is designed to help students prepare for success in the **2027 NAPLAN tests in March**.

Please refer to the course schedule below for further details.
