2027 Year 5 Summer Reading Strategies Course

Develop Advanced Reading Skills for Selective Exam Success!

Help your child gain a competitive edge in the 2028 Selective School Exam with our intensive 5-day Reading Strategies Course. Designed for Year 5 students, this program develops the comprehension, analytical and reasoning skills needed to excel in Selective-style reading questions. Students will learn key reading strategies and gain a clear understanding of the exam format while practising a wide range of question types, including fiction comprehension, text comparison, poetry analysis, gap match exercises, summary phrases and thematically linked extracts. Daily cloze activities further strengthen vocabulary, language awareness and contextual understanding.
