2027 Year 6 Summer Thinking Skills for Selective

Develop your Thinking Skills for Selective Exam Success!

Our 5-day Summer Thinking Skills Course is specifically designed for Year 6 students preparing for selective exam thinking skills test. Through a structured program of challenging activities and exam-style questions, students will learn how to analyse information, evaluate evidence, identify flaws in reasoning, and apply logical strategies to solve complex problems.

The course focuses on the two key areas assessed in selective school exam: Critical Thinking and Problem Solving. Students will strengthen their ability to think logically, reason effectively, and approach unfamiliar questions with confidence.
