*"Want to maximise your marks in essay writing?"*

Pre-Uni New College High School proudly announces the commencement of the Year 11 & 12 Essay Writing Programs over the upcoming Winter Holidays.

English is arguably the most important subject in the HSC and thus effective preparation and skills are a definite must for students looking to succeed in the final exams. The Essay Writing Programs are designed to provide students the opportunity to have their essays marked by top English tutors in order to receive comprehensive feedback and essential tips on how to navigate the marking guidelines set by NESA.

Students will have the **extended 1 month period (by 27th July) to submit 3 essays** of their choosing **via our online form** based on the modules they have studied at school. Upon submission, students will receive a detailed comprehensive report identifying the key strengths and shortcomings of their essays with reference to key constructs of the NESA marking guidelines. Students will then have an opportunity for a private tutoring session with their marker to adapt and improve their essays under the tutor's guidance. The tutoring session will be available throughout early Term 3.
