## Selective Trial Test Course (STTC)

Year 5 Selective Trial Test Course (STTC) is a comprehensive program designed to prepare them for the 2023 Selective High School Placement Test. The course consists of different types of questions and reflects the format, timing and conditions of the actual exam.

Students will attempt the '**computer-based**' trial tests each week and review the questions with teachers/tutors, putting more focus on difficult questions. They are expected to memorise the vocabulary list provided fortnightly for the next vocabulary test. Students' test results will be available on Cyberschool right after each session. English teachers will mark students' writing test submissions and the reports will be available on Cyberschool.

For more information, please read the 2022–2023 STTC newsletter.

# Guide to Cyberschool Services

Cyberschool is a special e-learning website hosted by Pre-Uni New College. It provides the extensive educational services to help students revise their entire work during the course period. Please utilise all available services it provides and maximise the learning outcome. Services vary depending on the course and each service is open for the specific period.

## STTC Review

STTC review menu allows students to review up to ten (10) questions they got wrong in the recent STTC mathematical reasoning and thinking skills tests. They can try them again at their own pace and analyse their mistakes. You can find the STTC Review page under **'Test Review'** menu at the navigation bar.

## STTC Top 5 Writings

Top 5 writings menu enables students to view the recent top-level 5 students' scrips with marker's comments. They can read and compare them with their own writing and learn how they can increase writing test scores in their next test. You can find the STTC Top 5 Writing menu under **'Test Review'** at the navigation bar.

## STTC 1+1 Reading Test

After completion of STTC reading trial test for the week, students can attempt additional reading test in the following week (MR/TS test week). The test contains 30 questions to be completed in 40 minutes. Go to **'My Test'** > 'Online Test' > 'STTC' and find the Reading 1+1 test page. After the test, you can check the test result at the 'My Result' menu.

## STTC Writing Test Review Video

After completion of writing test for the week, its review video will be posted on the Cyberschool 'Video Lesson' page in the following week (MR/TS test week). This lesson video will explain how to pinpoint the writing instructions, plan your writing, keep it structured and get the highest mark. Click **'Video Lesson'** to watch the lesson video.

## STTC Writing Retest

When your STTC writing test score for the week is not satisfied, you can attempt it again in the following week, with the same writing task. Type and submit your writing in 20 minutes in the test window. We will then assess your writing again and provide a feedback. To submit your writing, Go to **'My Test'** > 'Online Test' > 'STTC' and find 'Writing Re-test page.

## STTC Vocabulary List

Building a strong vocabulary is critical as it leads to higher scores in the selective school reading and writing tests. The **vocabulary list** will be uploaded on the **first day (Saturday) of mathematical reasoning and thinking skills tests week** and downloadable for the **next two (2) weeks**. Students must download it as soon as it's uploaded on Saturday and study it. To download the list, go to **'Material'**. Practice test for the vocabulary list can be found at **'My Test'** > 'Online Test'.

## STTC Poem Annotation Guide Video & Worksheet

New series of guide videos and worksheets will be available for STTC students. Each video will help you to understand how to annotate the poem appeared in the recent STTC test. The video and its worksheet will be available **after the reading test (during the mathematical reasoning and thinking skills tests week: Saturday – Friday)**. Go to **'Material'** to download the worksheet, and click **'Video Lesson'** to watch the guide video.

## My Result

All your test results and positions are available to check from the My result page under **'My Page'** menu during the course period. Click on your scores to access the detailed test reports.

## G.A Practice for Scholarship Test

The 'GA Practice for Scholarship Test' menu is designed for students who want to build a solid foundation for general ability skills, especially for the preparation of the AAS, ACER or Edutest private school scholarship tests. You can access it from **'My Test'** menu at the navigation bar. The course covers both verbal and non-verbal reasoning skill and each section is categorised into a comprehensive number of question types. By taking this course, students can study of almost all possible question types and complete a variety of practical, challenging and mind-stimulating questions. Students currently taking our regular term course in NSW can take this course for free until the next term begins.

## Reading 310 Test

The 'Reading 310' menu is designed for Years 3 to 6 students to help them enhance their reading comprehension skills for the preparation of selection tests like OC, selective school placement and private school scholarship tests. You can access it from **'My Test'** menu at the navigation bar. Each test contains a comprehensive number of reading questions covering inference skills for reading with short passage, true/false, gapped texts etc. Students can log in to Cyberschool and attempt up to 10 tests during the term. By completing this course, students will be able to complete a thorough study of important question types and complete a variety of challenging reading skill questions.

19<sup>TH</sup> MARCH 2022

## WELCOME TO SELECTIVE TRIAL TEST COURSE (STTC) (Term 2 commencement date: 23<sup>rd</sup> April 2022)

The Selective Trial Test Course (STTC) is a comprehensive program designed for Year 5 students to prepare them for the Selective High School Placement Test. The course has been commenced from term 1 and will continue until the actual exam in March next year.

- ✚ The 2022–2023 STTC framework has been updated to accommodate the new test structure, question style and computer-based test (CBT) format.
- ✚ Students will attempt the computer-based trial tests in class using our CBT device.

Pre-uni New College's STTC has shown to be a significant factor in ensuring success in the Selective High School Placement Test. The course allows students to practise exam style questions under exam conditions. It will help students to manage their testing time efficiently, minimise errors, overcome exam nerves and perform at their optimum level in their actual exam. This excellent course brings us the outstanding success rate every year. Together with the STTC, we will help our students to reach their full potential and build their confidence to succeed in the actual exam.

## WHAT ARE THE BENEFITS OF STTC?

- ✚ The STTC can help to increase accuracy and the speed of answering questions.
- ✚ The STTC can help you to familiarise yourself with new style of exam questions and computer-based test conditions
- ✚ By practising exam style questions every week, competence steadily improve.
- ✚ Weekly reports give feedback to parents about the areas their child should focus on.
- ✚ Student performance and progress are assessed accurately on a weekly basis.
- ✚ Parents can get an idea of which score level their child will achieve in the actual exam and which selective schools are suitable to choose in their application.
