Dear Year K Parents,

Pre-Uni New College will commence **Year K Term 3 EM** course on **Saturday, 16th July 2022**.

Year K Saturday EM course is structured to accommodate the academic standards expected at the time of the year. Following the Pre-Uni New College's course curriculum, students will begin the Year 1 work from Term 3 with Year 1 teachers

In addition to having the advantage of getting ahead, teachers will put focus on developing their literacy and numeracy skills.

Please check out the new Term 3 course timetable below

Year K Term 3 EM Course Timetable

Session	Class Time	Class Location*
Saturday AM	8:45am – 12:15pm	The McDonald College
Saturday PM	12:45pm – 4:15pm	The McDonald College

- ✓ Due to the limited capacity in each class, attending another class to make up the missed class will not be allowed.
- ✓ The class location* may be subject to change depending on the number of available classrooms.
- ✓ All class activities will be in line with NSW Health guidelines as applicable and follow good hygiene practices including strict drop off & pick up procedures, limitation of class size, regular handwashing and continued on-site cleaning and sensitisation.
- ✓ **PLEASE NOTE:** If there is a situation where we're required to cease on-site class operations due to public health orders and restrictions, lessons will be delivered online. The course fee and timetable will remain the same, and students will take the course at home via Zoom and Cyberschool.

Year K EM Course

Year K EM course is designed to develop a basic knowledge of literacy and numeracy skill according to our own syllabus schedule.

In addition to having the advantage of getting ahead, EM course will help your child build a solid foundation for their future school assessment tasks.

- During the English lesson, teacher will focus on practising spelling, vocabulary and comprehension skills.
- Mathematics lesson will be involved with various maths topics to make them understand basic maths theories and principles.

Year K EM Course Timetable & Class Location

- Students wear their face mask inside the building.
- If you feel unwell or have any COVID symptoms (including runny nose, cough, fever, sore throat), do not attend the class.
- Students must not share stationary, food, drinks, and water with other students.

Guide to Cyberschool Services

Cyberschool is a special e-learning website hosted by Pre-uni New College. It provides the extensive educational services to help students revise their entire work during the course period. Please utilise all available services it provides and maximise the learning outcome. Services vary depending on the course and each service is open for the specific period.

Module Answers

Each week's EM module answers are uploaded on Saturday and available until the last day of the next school holiday. You can find them under **'Material'** menu at the top navigation bar. Please use the module answers after you made the first attempt to finish your homework module questions.

S.O.Q

The S.O.Q (Special Online Quiz) is a series of quiz to measure students' understanding of the module topics taught. You can find the S.O.Q under **'My Test'** menu at the top navigation bar. Four (4) quizzes open in Week 2, 4, 6 and 8 of the term. Each subject contains 10 questions, so it shouldn't take too much time. If you feel confident about the module contents, it's a good idea to impose a time limit (1 minute per question) when completing the quizzes.

Vocabulary Test

Cyberschool is offering the weekly vocabulary tests during the term. To take the test, click **'My Test'** menu at the navigation bar and go to 'Online Test' page. Building a strong vocabulary is critical as it improves all areas of communication. Students with high vocabulary skills tend to have high comprehension scores in English tests.

Term Test

Students take the term test during week 8 of each term for assessment and subsequent reporting. To take the test, click **'My Test'** menu at the navigation bar and go to 'Online Test' page. Students should revise all topics in the books in the weeks leading up to the Term Test. Parents will receive the term test reports at the end of the term that shows their child's total scores and rank as well as other information about the levels of achievement against specific competencies.

Term Test Review

Year K students can revise the maths term test questions they answered incorrectly during the first week of the next school holiday period. Students are encouraged to revise all questions it provides and build up a solid foundation before their next term's studies. The menu will appear under **'Test Review'** menu of the navigation bar.

My Result

All your test results including term tests and weekly vocabulary test are available to check from the My result page under **'My Page'** menu during the course period. Click on your score to get the test report. Click on the correct answer to review the question.

G.A Practice for Scholarship Test

The 'GA Practice for Scholarship Test' menu is designed for students who want to build a solid foundation for general ability skills, especially for the preparation of the AAS, ACER or Edutest private school scholarship tests. You can access it from **'My Test'** menu at the navigation bar. The course covers both verbal and non-verbal reasoning skill and each section is categorised into a comprehensive number of question types. By taking this course, students can study of almost all possible question types and complete a variety of practical, challenging and mind-stimulating questions. Students currently taking our regular term course in NSW can take this course for free until the next term begins.
