## Summer Holiday English, Maths & Thinking Skills Package Course (WEEK 3)

During the third week of the summer school break, we will offer Year 6 courses in English, Mathematics, and Thinking skills. These courses are designed to comprehensively cover all the essential topics needed to excel in the 2024 selective high school exam. Over the course of five days, students will engage in intensive practice sessions that focus on exam-style questions, allowing them to strengthen their understanding of each test component and foundational knowledge. **Students have the flexibility to select their preferred subjects and lesson formats based on their individual requirements.**
