Year 3 Summer Holiday EMT Course (8 – 12 January 2024)

The summer school holiday period is the most ideal time for students to get a head start on their studies for the new school year and NAPLAN preparation. We therefore highly recommend this summer special course that will help students begin the new term armed with the ability and confidence to achieve the best results in their **2024 NAPLAN** and OC placement tests in Year 2025.

During the **English** lessons, students will learn the most efficient ways in organising writing structure and examine variety of texts along with the comprehension questions. **Maths** lessons will focus on mathematical theories, principles, and formulas to solve problems. They will practise a variety of challenging **thinking skills** questions in problem solving and critical thinking skills.

Students will also have an opportunity to attempt the **NAPLAN trial tests** during the course.
