**2024 Term 1 begins on Saturday, 27<sup>th</sup> January.** Year 2 (in 2024) Term 1 course has been designed to ensure that students meet the high academic standards expected at the time of the year.

By attending our course, students will reinforce the foundations of their learning and get ahead of their peers.

In addition to having the advantage of getting ahead, students will be introduced with a **new thinking skills module** to develop their problem solving and critical thinking skills for their future exams – 2025 NAPLAN and OC placement tests.

The course will also put focus on improving students' reading comprehension, numeracy and writing skills to enhance their high performances at school and in the 2025 NAPLAN tests. Please check out the new course timetable below.

## Year 2 WEMT Course

Year 2 WEMT course will require a significant commitment of module work each week in writing, English, maths and thinking skills due to the nature of the advanced curriculum.

In addition to having the advantage of getting ahead, WEMT course will help students build a solid foundation for the 2024 NAPLAN and Opportunity Class Placement Test.

- The **writing** module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English** lesson will focus on reading skills, practising reading comprehension and multiple-choice questions.
- Mathematics** lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- A new **Thinking skills** component will cover a variety of practical, challenging and mind-stimulating questions in problem solving and critical thinking skills.
- Students can choose the following WEMT course according to their needs or preferences:

| Standard WEMT<br>(Face-to-face learning)                                       | Cyber WEMT<br>(Self-paced learning with VOD lesson)                        |
