

Thinking Skills Advanced Zoom Course

The "Thinking Skills Advanced Zoom Course" is offered as an online program conducted through Zoom. It is a specialised curriculum designed to enhance students' problem-solving and critical thinking abilities. This course will provide them with the essential tools required for achieving the best scores in the upcoming thinking skills test of the selective school exam.

Course Highlights:

- Develop Crucial Thinking Skills:** The course is dedicated to empowering students with the confidence and creativity to confront challenges head-on. Our dedicated teacher will guide students through engaging activities and exercises, nurturing their proficiency as critical thinkers.
- Convenient Learning:** The course is delivered on **Thursday (5 pm – 7:10 pm) via Zoom and E-book (softcopy) materials**, allowing students to comfortably learn from their homes. They can find the Zoom lesson link from the "My Page > Live Lesson Link" menu on Cyberschool website.
- Effective Problem Solving:** Students will learn valuable problem-solving techniques, enabling them to navigate complex issues across various subjects.
- Analytical Thinking:** We'll encourage students to analyse, evaluate, and derive reasoned conclusions from the information they encounter, fostering confidence in their thinking skills.
- Ideal for preparing for the Selective School Thinking Skills Test:** The course is open to Year 5 and 6 students who are aiming for the selective school placement and will cover essential topics to equip them with the necessary knowledge for the thing skills test.

Lesson Materials:

- Students download their E-book material for each week's lesson in advance. The material will be accessible for download starting on Saturday via the "Material" menu on Cyberschool.
- Hard copy materials will not be provided to the online thinking skills course students.
