

Thinking Skills Advanced Course (face-to-face)

The "Thinking Skills Advanced" Course is specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective high school placement test. With a comprehensive focus on preparing them for the selective exam thinking skills component, the course will cover a diverse array of essential topics.

Course Overview:

- ✚ The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- ✚ Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- ✚ Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- ✚ Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- ✚ As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- ✚ The course is open to Year 5 and 6 students who are aiming for the selective school placement and will cover essential topics to equip them with the necessary knowledge for the thinking skills test.
